FOOTBALL

We won! For the first time in the history of BHS, our football team became the Dual County League Champs. They had the spirit of winning, a lot of character and dedication, and the right attitude. They knew they could do it, and they did.

The co-captains of the team were seniors Tony Norris and Chuck DePriest. The seniors were instrumental in the team's winning, and made some of the best plays that we've seen in years.

One of the games that was very meaningful to the team was the game against Wayland. "The King is dead, now we're King!"

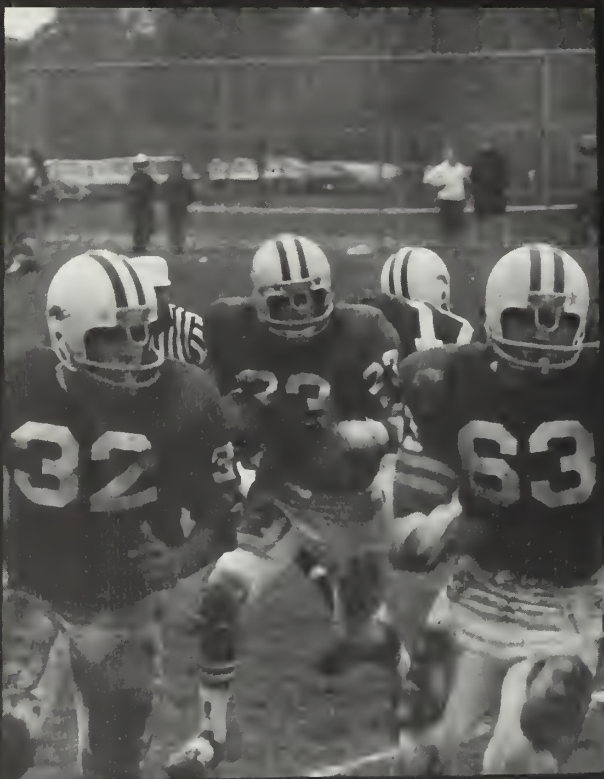

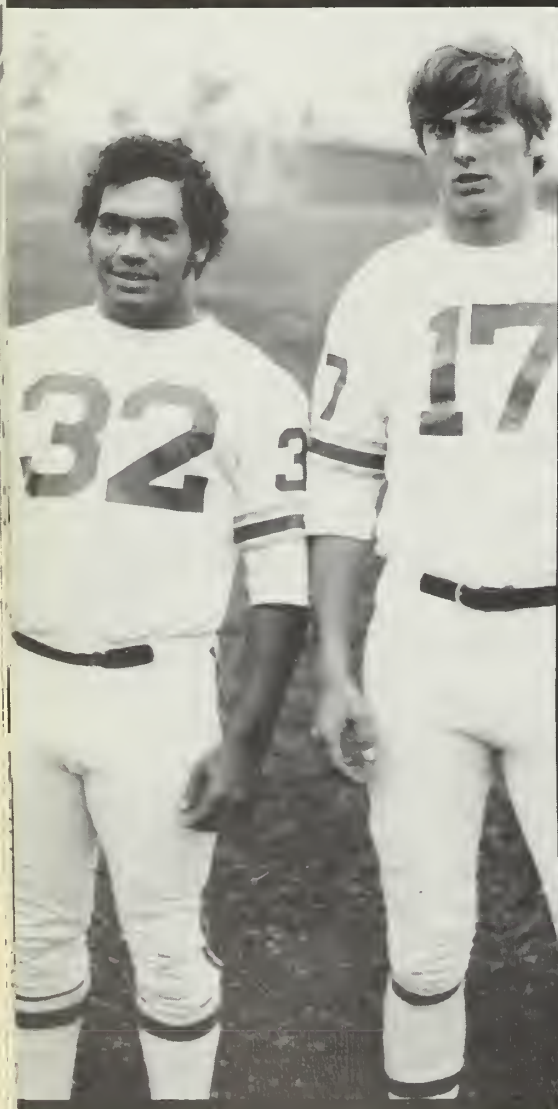

Three seniors and two juniors made it to the

All-Star Team of the Dual County League. They were Tony Norris, Chuck DePriest, Bruce Hartwell, Mike Elias, and Steve Emerson.

Jim Mulligan, Tony Norris, Henry Donigan, Chuck DePriest, Murph McGovern, Jack O'Rourke, Bruce Hartwell, and Bill Sickles played on the team for all four years, showing determination and perseverance, and for this alone they deserve a special hand.

Another special hand should be given to the coaches, Mr. Sabourin, Mr. Petrillo, and Mr. Odams, for their great coaching and strong support they gave to the team.

WINTER TRACK

The 1972-73 BHS winter track team managed a 2-5 record with some of the best runners BHS has ever had. At the important All-League Meet, three of Bedford's runners placed. Charlie Perry and Andy Taylor placed third and fifth in the 1000 yard run while in the 600 yard run, Jim Goldie placed second. The time and effort that each of the members put in really shows the determination that they had in making the team a team.

BEHALE

Here's what we looked like just before the take-off! All of the evening classes we attended to prepare for the trip were behind us now.

It was so hard for us to stand still for this picture, we wanted to jump on the plane and take off. All of the material we read and slides of the places we would visit had given us an impression of what was to come in the next 18 days. The evening classes helped us to learn about the other 39 people with whom we would be sharing our adventure. The bond that began in September of 1971 grew stronger with time. Many lasting friendships were sparked in Europe.

Mr. Case gave each of us a deep insight into the three countries. His overwhelming knowledge was the most dependable aspect of the trip. But no matter what we had gathered in our heads before, it did not come close to what we experienced in each of the three countries. There is no comparison between knowledge learned in the classroom and knowledge gained through experience; to actually live what is learned.

American Field Services (AFS) is a new organization in the high school. Created in the interest of worldwide understanding, it is basically an exchange program in which foreign students come to the U.S. to finish their high school education, while Americans may go abroad. Next year, after Bedford has housed a foreign student, we will be eligible to send someone abroad for the summer program or for the whole year.

In early July, thirty-five students, who have been in the country for a year, will stop in Bedford to enjoy the 4th of July festivities. AFS can be an educationally enriching experience, but only with the support of the students can it succeed.

MARCHING BAND

The Marching Band, under the direction of William Toland, started off this year—the year of the SUPERBAND—rooting for our victorious football team. Football half-time shows included such tunes as “The Theme from Shaft”, “Them’ Basses”, “Go Down Gamblin’”, “Rappin On”, and the Channel Seven News Theme. One show was devoted to “Chicago” tunes, including Mark Mudgett’s arrangement of “Monin’ In”. Mark Mudgett and Win Hayes arranged much of the music performed by the SUPERBAND. Together, they wrote the marching arrangements used for the half-time shows.

MAJORETTES

Row 2: Barbara Barrett, Co-captain Karen Letizi, Co-captain Marcia Southwick, Connie Hanley.

The Concert Band, Lab Band, Stage Band and Wind Ensemble put on a spectacular Winter Concert. The versatile instrumentalists performed the serious music of Holst, Grsinger and Stravinsky. The Stage and Lab Bands filled the hall with sounds of "Chicago" and Mark Mudgett's arrangement of "Open Up Wide." An encore was requested and performed for the school, and the "school went wild."

The officers of the BHS Band are Mark Mudgett—President, Win Hayes—Vice President, and David Blacksmith—Secretary-Treasurer.

ELLEN MCLAUGHLIN
Home Economics Chairman

"For what is it to die but to stand naked in
the wind and melt into the sun?

And what is it to cease breathing, but to free
the breath from its restless tides, that it may rise
and expand and seek God unencumbered?

Only when you drink from the river of silence
shall you indeed sing.

And when you have reached the mountain top,
then you shall begin to climb.

And when the earth shall claim your limbs,
then shall you truly dance."

—Kahlil Gibran

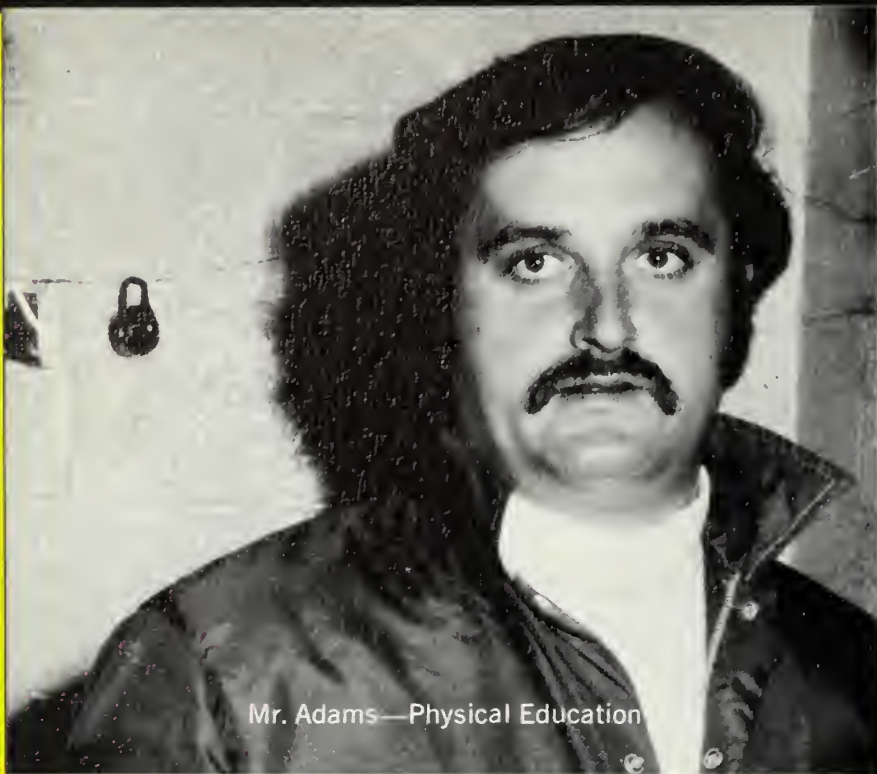

To the Class of 1973:

The future, for each of you, is yet unknown. In whatever direction you choose to go, make the decision carefully, as it may be the most important decision of your life. You have the ability to succeed, but the price of success is hard work and dedication to yourself and to others. Above all, frown not on the inadequacies of others, for it has been said, "There but for the grace of God, go I."
